Skills

- **Programming Languages:** Java, Python, JavaScript
- **Frontend Technologies:** HTML, CSS, React
- **Backend Technologies:** Core Java, JDBC, Servlets, RESTful APIs
- **Databases:** MySQL
- **Core CS Fundamentals:** Operating Systems (OS), Computer Networks (CN), Object-Oriented Programming (OOP)

Projects

E-Commerce Web Application *Java, React, MySQL, REST API*
Full Stack Development [GitHub Repository]

- Built a full-stack e-commerce platform using **React** for modular frontend UI and **Java** for business logic.
- Designed relational database schemas in **MySQL** for users, product catalogs, and transactions with optimal indexing.
- Integrated secure RESTful endpoints for user authentication, product search filtering, and cart management workflows.

Portfolio and Interactive Web App *React, JavaScript, HTML5, CSS3*
Frontend Development [Live Demo] | [Source Code]

- Designed a responsive, mobile-first personal portfolio showcasing projects, interactive UI elements, and technical skills.
- Implemented modern CSS layout mechanisms using **Flexbox** and CSS grid, ensuring complete cross-device responsiveness.
- Deployed the production build on **Vercel** with automated CI/CD continuous deployment workflows.

Experiences

Tap Academy **Bengaluru, India**
Java Full Stack Intern *6 Months*

- Underwent intensive hands-on training in enterprise application engineering utilizing **Java**, **SQL**, and web technologies.
- Engineered full-stack modules by integrating **React** client interfaces with robust **Java** backend services.
- Developed and maintained database queries, table relationships, and data validations using **MySQL** and **JDBC**.
- Collaborated with senior mentors to debug application bottlenecks, conduct code refactoring, and optimize query latency.

Achievements

- Successfully solved **150+** algorithmic problems across online platforms emphasizing Data Structures and Algorithms.
- Ranked in the **Top 10%** among peers during the technical assessment evaluation at Tap Academy.
- Actively built and open-sourced full-stack projects on GitHub, maintaining consistent code versioning and Git documentation.

Education

SDHR Degree College **Tirupati, India**
Bachelor of Computer Applications (BCA) *2023 – 2026*

- **Cumulative Grade Point Average (CGPA):** 7.8 / 10.0
- **Relevant Coursework:** Object-Oriented Programming, Database Management Systems, Data Structures, Computer Networks.
